

TR - THE AFFAIR

INT. LIVING ROOM - DAY

KELSEY sits with TERRY.

KELSEY

Before you tell me how much you love me, tell me why you would risk it all. Your marriage, your family?

TERRY

I go home and I want to crawl into a ball on the floor and stop breathing. Until I think about you.

KELSEY

Until you hear from your neighbor. The one who saw us. And now my sister's going to find out that I'm sleeping with her husband.

TERRY

Don't bring her up to me. It's hard enough knowing that she's your sister. I hate that.

KELSEY

Then tell me what you love. Tell me what you love about me. What makes me different than my sister.

TERRY

You are what I need to breathe. Isn't that enough?

MADISON

Once. You said it once. (beat) Convince me. Make me believe that you're worth it. Because if I don't have a reason to stay, I'll go.

TERRY

I just have to figure things out-how to tell Megan...

MADISON

You aren't ever going to marry me. You're happily married until a weekend frees up from work.

TERRY

I try to see whenever I can.

MADISON

Well, soak it up. Because it's not going to last long.
