

INT. BEDROOM- DAY

Lily opens the door, pulling best friend Cara into the room.

LILY
Took you long enough. Close the door. So, here's my plan.

CARA
Why is it all rolled up?

LILY
Focus, Cara. It's time for Operation Destroy Dustin.

CARA
What'd your brother do this time?

LILY
Well for one... He was BORN! Two, he stole my phone and posted pictures of me while I was sick.

CARA
Oh, thank God that was your brother. I saw them last night. These are status shattering.

LILY
Trust me. I know. They're unfiltered.

CARA
Why don't you just delete them, Lily? Why leave them up to become Meme's? Because... they totally are trending.

LILY
Because the little weasel changed my password and if Mom finds out I created a Snapchat behind her back, she'll totally take away my phone.

CARA
Okay. I'm in. Torturing little brother's is kinda my joy.

LILY
That's twisted. I like it. Let's do this.
