

TR - BROAD CITY

INT. APARTMENT KITCHEN - DAY

MEGAN walks in to see ERIC, shirtless, drinking coffee.

MEGAN

Oh! You're the guy making all the noise in Amy's room last night.

ERIC

That was me. (beat) I made coffee.

MEGAN

Great. (gags) Oh, God. You sure are good-looking but that might be it.

ERIC

Hey- I went to college.

MEGAN

Sure you did. I'll bet it was nice. So- where's Amy? Are you authorized to be alone in our kitchen?

ERIC (POINTS AT SHELF)

I didn't eat any of those.

MEGAN

Oh. The gummy penises. Yeah, I went to this bachelorette party and just really liked the flavors.

ERIC

I'm lying. I ate three of them. I just pretended that they were two rocks and a mushroom. I regret it.

MEGAN

No worries. (beat) So, what's the deal? Do you actually like her?

ERIC

Who?

MEGAN

My roommate you just banged! (beat) Poor, silly, stupid beautiful man.

ERIC (SHE BREATHES HIM IN DEEPLY)

What are you doing?

MEGAN

Smelling you. Don't worry- I'll be done in a minute.

ERIC

Annd I'm done, now. (beat) Can I take a gummy penis or two to-go?
